The class will be a combination of lecture and discussion. The first half hour, Pastor Diane will briefly cover the assigned readings, pointing out important key concepts.

The second half hour will be discussion. It is important that you come prepared. Obviously, there will be weeks when some of us are unable to get the reading done, join the session anyway and then try to catch up the following week. If you have to miss a week, try to at least do the reading and then join us the next week as you are able.

For those who cannot attend the Tuesday night sessions, the class will be recorded for you to view as you are able. Please try to read the book even if you can't attend the live sessions.
